

Renew Reconnect Retreat Facilitators' Overview

As we look to relaunch Salt & Light, it often helps to get our adolescents together prior to the official beginning of the new season. Our youth will benefit from a structured gathering where they can reconnect with their peers and invite new friends to join and explore what Salt & Light us all about.

The contents of this folder are designed to help you reconnect with your youth, as you see best. Feel free to use the folder in its entirety, as a day long in-person, retreat where old and new participants get together to get reacquainted with one another and the Salt & Light ways. Alternatively, select elements from the agenda to develop multiple gatherings. Regardless of how you engage, reach out and engage your youth by personally inviting them to explore this event.

What's inside this folder?

- 1- A suggested agenda for a day long, in person, program.
- 2- An Icebreaker Games document highlighting three team building games that will help youth engage so conversations later flow more smoothly
- 3- A selfie scavenger hunt that uses the content from Bible passages as hints for objects teens need to take selfie photos.
- 4- A prayer workshop designed to explore various forms of prayer as a means of deepening their daily prayer experience.
- 5- A Teen Talk Sheet
