

*Read My **Lips.***

How To Play

During each round, players take turns responding to the prompts – but they must do so by *silently mouthing* their answers (without motions gestures).

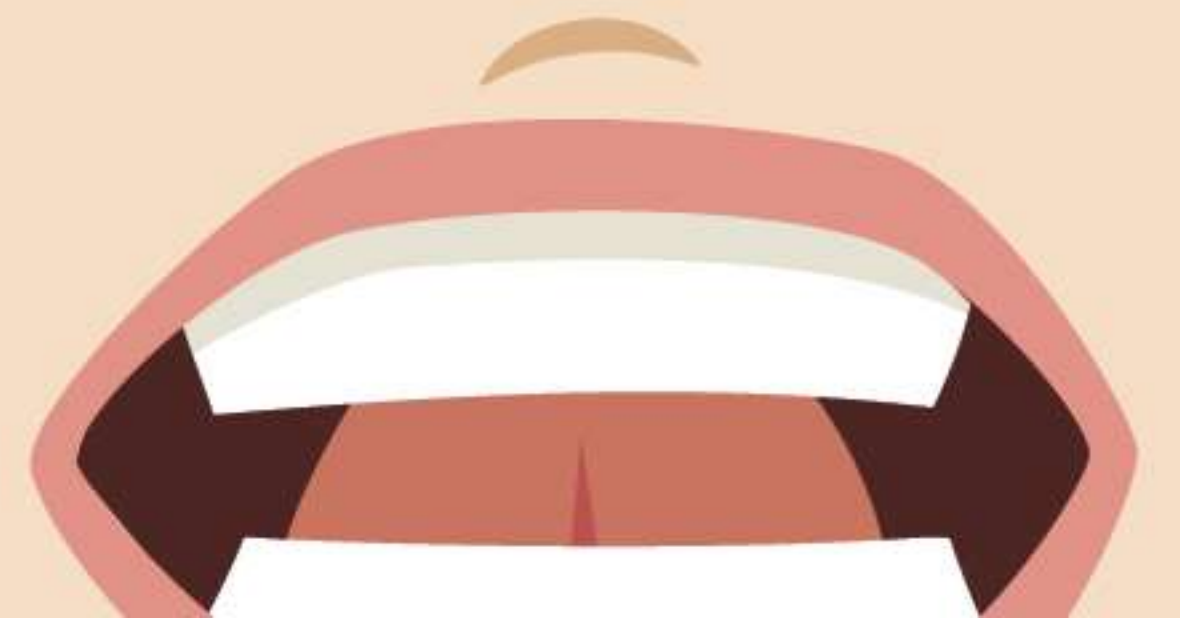

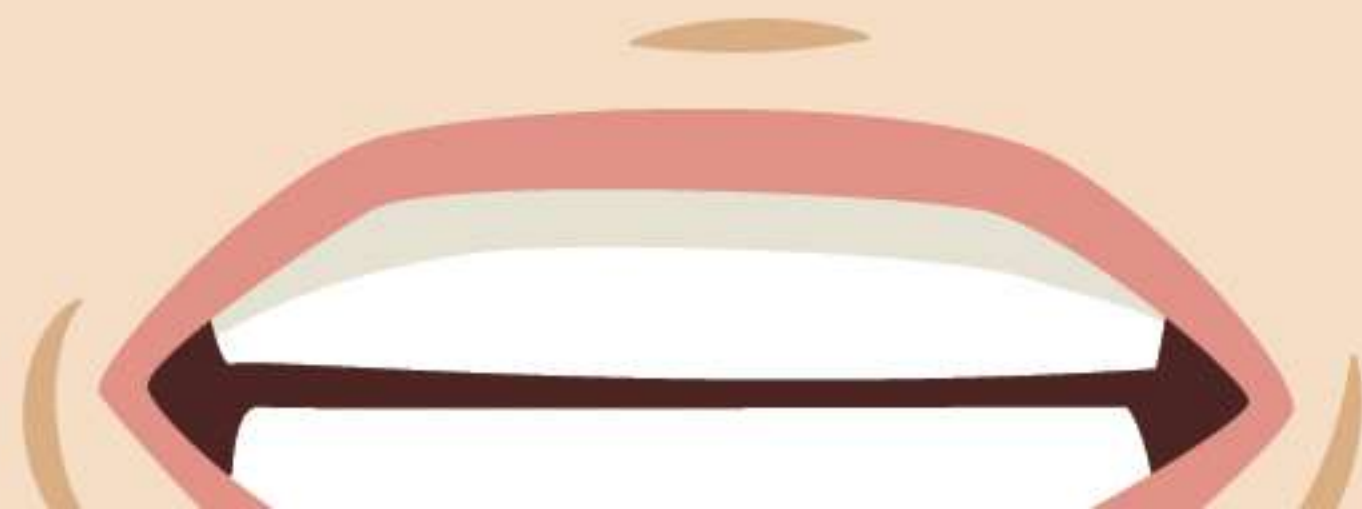

THIS GAME IS BEST PLAYED IN GROUPS OF LESS THAN 10 PEOPLE.

How To Play

Other players try to guess what the responder is saying. The *first* person to call out the correct answer gets a point – as does the responder.

RESPONSES MUST BE GUESSED EXACTLY – WORD FOR WORD.

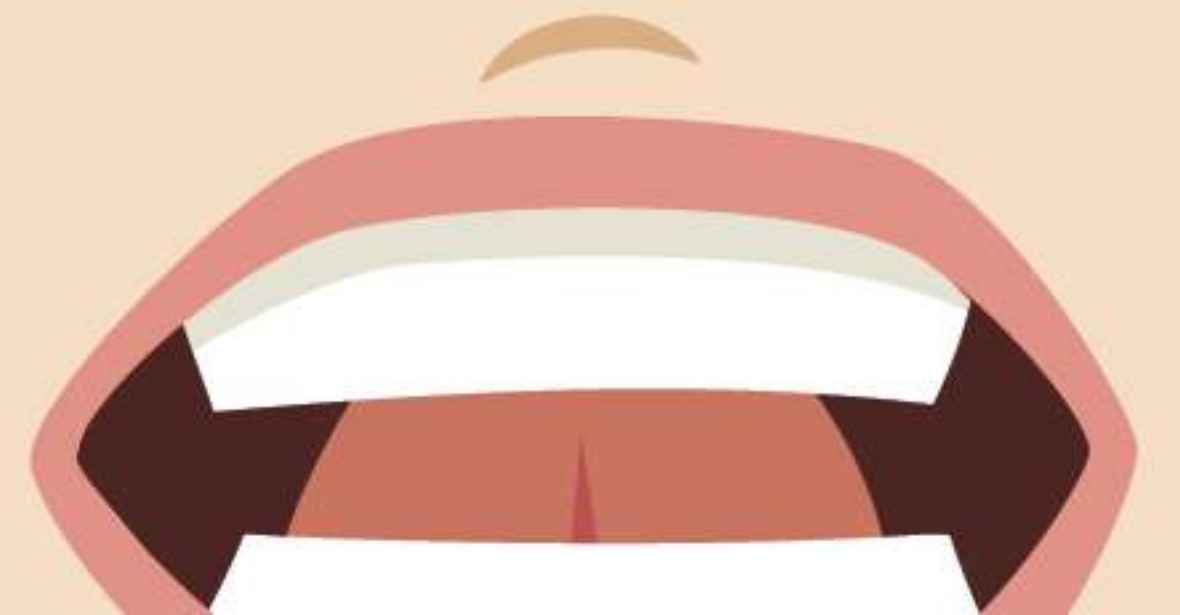

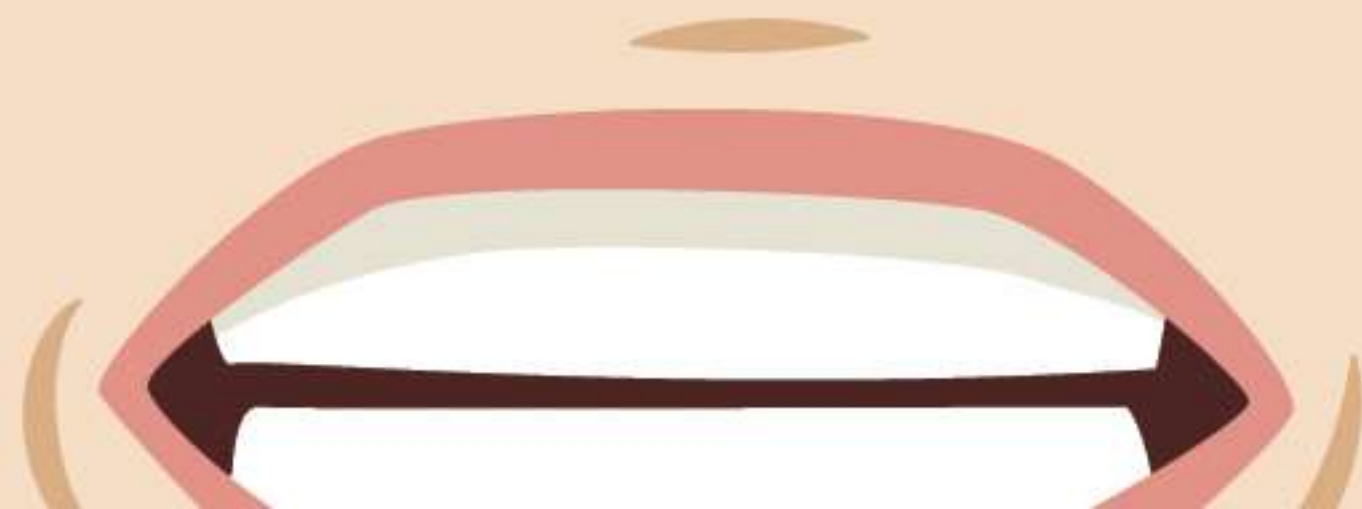

How To Play

After *everyone* has had a chance to respond, move on to the next prompt.

Set a time limit per response if needed.

IT'S MORE FUN IF YOU DON'T ALLOW DUPLICATE RESPONSES.
